Here's the deal. We are all born, we grow up, and that's our origin story. But actually, we change who we are all the time. Maybe you liked sky diving and now you like scuba diving. Maybe you had an amazing chemistry set and now you have a very broken one. Tell us about something that made who you are today, right now. Like ...

Draw what you look like here. Use a mirror. Add your glasses, scars, mustache, gorgeous nose, etc.

Draw what you're feeling like right now. Do not use a mirror. Add your secret abilities, alter ego, aura of menace, etc.
